### Sam's Safari visit

Dear Parent/Carer,

We have arranged a special day for the Lower Foundation children on Wednesday 3<sup>rd</sup> July, linked to our topic next half term on 'Animals'. **Sam's Safari** is an animal education company providing amazing animal encounters with exotic and rare animals from all over the world. The visit will enable children to gain first hand experience of rare and exotic invertebrates, reptiles, amphibians, birds and mammals, without leaving the school grounds!

The children will attend their usual Lower Foundation session, but in addition to the 'Sam's Safari' visit, there will be a number of exciting activities for the children to enjoy on this day.

Children are invited to come to their nursery session on this day wearing clothes/a costume that represents an animal – this could be a stripy t-shirt for a tiger, a t-shirt with an animal picture on it – or you may wish to make your own animal ears or face mask!

**If your child has any animal allergies that we need to be aware of, please speak to your child's class teacher/key worker as soon as possible.**

We are very grateful to Friends of Holy Trinity for a generous contribution towards our safari visit which means that there is only a small charge of **£2.20** to pay for this experience.

Payments should be made via ParentPay by Wednesday 26<sup>th</sup> June. If you have not received the ParentPay activation letter, please contact the school office.

Thank you for your continued support.

Regards,

**The Foundation Stage Team**
