

# I have a song to bring

I have a song to bring,  
it has a simple melody,  
let everybody sing,  
there's life in our unity,  
there's hope in our song.

x3

I have a song to bring,  
it has a simple melody,  
let everybody sing,  
there's life in our unity,  
there's hope in our song.

x2

I have a song to bring,  
it has a simple melody  
let everybody sing  
there's life in our unity,  
there's hope in our song,

there's life in our unity,  
there's hope in our song.
