

It's Good to be Me

It's good to be me, it's good to know you,  
It's great to be different but together.  
There's no need to be in anyone's shoes,  
I'm happy to be the me I am. (repeat)

But if I try to compare myself with you  
And all the things you do,  
I'll never see all the qualities that make me the me I  
am. (repeat)

It's good to be me, whatever I do,  
I'm free to be who I am wherever,  
With all of my faults, and there'll be a few,  
I'm happy to be the me I am.

But if I try to compare myself with you  
And all the things you do,  
I'll never see all the qualities that make me the me I am.

## Part 1

It's good to be me, it's good to  
know you,

It's great to be different but  
together.

There's no need to be in anyone's  
shoes,

I'm happy to be the me I am.

It's good to be me, whatever I do,  
I'm free to be who I am wherever,  
With all of my faults, and there'll  
be a few,

I'm happy to be the me I am.

## Part 2

But if I try to compare myself  
with you

And all the things you do,

I'll never see all the qualities

That make me the me I am.

But if I try to compare myself  
with you

And all the things you do,

I'll never see all the qualities

That make me the me I am.

ALL

It's good to be me, whatever I do,  
I'm free to be who I am wherever,  
With all of my faults, and there'll be a few,  
I'm happy to be the me I am.
