

# Nursery - Yearly Overview

## Autumn 1

### *Once upon a time*

Number rhymes. Changes of amount of a group of up to 3 items. Compare amounts. Count in everyday contexts. Compare sizes using gestures. Notice patterns and arrange things in patterns.

## Autumn 2

### *Celebrations*

Fast recognition of up to 3 objects. Recite numbers past 5. Say one number for each item. Name 2D shapes. Positional language – in, under on. Make comparisons relating to size. Selects shapes appropriately. Talk about and identify patterns around them.

## Spring 2

### *Growing and Changing*

Discuss features of 2D shapes. Positional language – next to, behind, on top of. Make comparisons between length, weight and capacity. Combine shapes to make new ones. Create patterns.

## Spring 1

### *Weather*

Know the cardinal principle. Show finger numbers. Link numerals to amounts. Begin to recognise numbers. Solve real world mathematical problems. Compare quantities – more than/fewer than.

## Summer 1

### *Animals and Habitats*

Become familiar with 3D shapes. Notice and correct an error in a pattern. Represent numbers. Begin to understand number sentences and the concept of adding two amounts together.

## Summer 2

### *Seaside and Seashore*

Experiment with their own symbols and marks as well as numerals. Practical and written simple number sentences, counting two groups of objects to find the total. Describe routes and locations. Begin to describe a sequence of events.
