October 2024

Dear Parent/Carer,

Starting school is a wonderful step on your child's independent journey.

All the children have made a fabulous start in being able to settle into our daily routines and enjoy their new learning environment.

We would now like to ask for your support in helping your child move into the next phase of self-help skills, which is an important part of our teaching in the Personal, Social and Emotional Development strand of the EYFS curriculum.

Please find attached a selection of these skills that we would kindly ask you to start encouraging your child to try for themselves at home.

We have attached an Autumn challenge list and an example of a reward chart that you might like to use, or as an idea for creating one of your own.

We look forward to celebrating your child's success with you along the way – please feel free to share their progress on Evidence me so that we celebrate their new independence in school!

Yours sincerely,

The Foundation Stage Team
