White Rose Infinity

Dear Parent/Carer,

We have subscribed to a fabulous new online tool that enables your children to further consolidate their maths learning at home. It is called White Rose Infinity and can be accessed online or by installing the app.

Each week we will publish QR codes on the school website which will enable your children to access questions relating to their recent learning in maths. With it being digital, we hope the children will be motivated to access the questions on a regular basis.

For more information and for this week's learning please visit our school website [here](#).

Yours sincerely,

Mr J Wood
Headteacher
