

# Y3/4 Homework Projects

Here are some homework projects for you to complete if you would like to.

Please bring in or take photos of your work to share with your teacher and class at school.

## Autumn Term 1 Brazil

### Create & Construct!

Create a model of a rainforest like the Amazon.

### Time Together!

Brazilian cuisine is bursting with flavour! Why not research and have a go at a recipe with an adult, such as a dessert called chocolate Brigadeiros, traditional Brazilian truffles?

### Out & About!

- Go for a woodland walk and try to spot 5 different birds. Can you name them?
- Visit the aviary in Thornes Park and see what birds they have.
- Visit Tropical World in Leeds and see how many of the creatures there are from South America.
