

Y3/4 Homework Projects

Here are some homework projects for you to complete if you would like to.

Summer 1: Australia

Please bring in or take photos of your work to share with your teacher and class at school.

Create & Construct!

Research some of the famous landmarks in Australia and create a model of one (eg. Sydney Opera House).

Time Together!

Cooking food on the barbecue is very popular due to the wonderful weather. Spend time together preparing food for a family BBQ at home - you could create some skewers to cook together!

Out & About!

Yorkshire Wildlife Park and Lotherton Hall are home to lots of incredible animals, including wallabies! Mothers carry their young in their pouches until about 6 months old!

Lotherton
