

Y5/6 Homework Projects

Here are some homework projects for you to complete if you would like to.

Please bring in any of your work to share with your teacher and class at school.

Summer term 2 2026

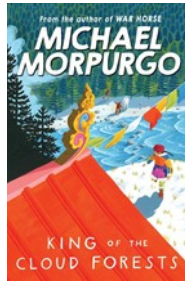

Create & Construct!

- Create a river and mountain 3d model. You could use:
- Clay
- Boxes
- Paper mâché

Time Together!

Read some books:

- Create a fact file about Mount Everest.

Out & About!

- Visit the Yorkshire Dales and climb one of the 3 peaks.
- Visit the River Calder: The closest major river to Ossett. You can explore the Calder and Hebble Navigation, which offers excellent flat walking trails, local wildlife spotting, and access to heritage sites along the rough.
