

Y3/4 Homework Projects

Stone, Bronze and Iron Age

Autumn 1

Create & Construct!

This half term, we are learning all about the Stone Age!

- Create a Stone Age village from the Neolithic Age, using recyclable materials, or using materials from outside (eg) sticks and stones.

Time Together!

Cooking a Fruit Stew

During the Stone Age, people would gather fruit to eat. Using stones they would slice and crush the fruit to make fruit stews. Why not make a fruit stew with your grown up?

Out & About!

Find a spot in your garden or the local park/woods.

- Build an outdoor shelter.
- Forage for pine cones, acorns, blackberries.
- 'Hunt' for different animals/birds—how many different types can you see?
