Y1 / 2 Homework Projects

Here are some homework projects for you to complete if you would like to.

You are welcome to send in pictures or bring your project in to share with your class.

Autumn Term 2026

Create & Construct!

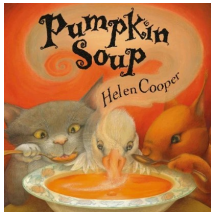

This half term we are learning about Remembrance and why we wear poppies.

Can you make a poppy picture, sculpture or model using whatever materials you have at home? You could use paper, paint, recycled materials, buttons, fabric or even natural objects.

Can you include a message about remembrance or peace?

Time Together!

This half term we are writing instructions for how to make pumpkin soup. Could you help an adult prepare a simple meal or bake something at home? Take photographs or draw pictures to show the different steps. Can you explain what you did using words such as first, next, then and finally? Maybe you could write some instructions to share with the class!

Out & About!

This half term we are learning about the seasons, weather and how animals respond to seasonal changes. As the weather gets colder, some animals begin to hibernate while others migrate to warmer places.

Can you go on a walk and look for signs of winter arriving? The Woodland Trust also have some great activities on their website.
