Y5/6 Homework Projects

Autumn Term 2 2026

Here are some homework projects for you to complete if you would like to.

Please bring in any of your work to share with your teacher and class at school.

Create & Construct!

Research animals that live in North America. Can you create a collage of your favourite animal?

Look at a map of North America and identify the different countries.

Time Together!

Find out about the countries in

North America

Research one country and produce a fact file about that country.

Consider:

- **Landmarks**
- **Culture**
- **Weather**

In the Kitchen!

- **Find out about some food that is eaten in North America– Can you make your own hamburger?**
- **Can you design a menu for a North American restaurant**
