Dear Parent/Carer

The Holy Trinity Promise

We are absolutely delighted to launch the **Holy Trinity Promise**.

We believe that school should be so much more than just learning the traditional subjects of reading, writing, maths etc. Whilst an excellent academic education is incredibly important, we equally value the range of benefits that wider experiences provide our children. Because of this, we have developed the Holy Trinity Promise which comprises of 100 carefully chosen experiences we promise to offer the children during their time with us to ensure they have a rich and purposeful education that prepares them for their future.

All children will be bringing home with them today their very own copy of the Holy Trinity Promise. This is to be kept at home and, as and when children complete the experiences, they can tick them off and feel proud of their achievements. Some children, particular the older ones, will have already completed some of the experiences so can get ticking straight away!

I am confident that your children will enjoy and benefit from the experiences in our Promise and I am sure they will be keen to talk about and share their experiences with you.

Yours Sincerely,

Mr J Wood
Acting Headteacher
