

Year 1/2 Curriculum Information

Summer 1 2024

This Curriculum Information document details our curriculum coverage for this half term.

This half term the Year 1/2 topic is **World Oceans** in Geography and **Ocean Habitats** in Science. We will also be enjoying a trip to the seaside to enhance this learning.

Reading

All children are involved in a Reading Hour, where they attend a Read, Write, Inc. session or a Reading Beyond Phonics lesson. We have daily opportunities for Reading for Pleasure, and we also have a 'Magic of Stories' session, which happen every day across the Key Stage. Please find time to listen to them read and ask questions to check understanding, but in particular help to develop their speed and accuracy when reading. Each class also has access to the KS1 library, where anyone on the RWI scheme can choose a library book, on a weekly loan.

Writing

In English we will be refining our skills ready for the transition to the next year group. Year 1 children will be writing sentences in sequence, and Year 2 children will be focusing on subordinating conjunctions when writing complex sentences. Children will be securing their use of punctuation, in particular full stops, question marks and exclamation marks.

Maths

This half term children will be looking at measure, then moving onto multiplication, division and fractions.

X (formerly Twitter)

We have now changed to one X per unit. There will be plenty of updates so please make sure you follow:

@HT_OssettY12

@HT_Ossett

P.E. Days

1EH - Thursday

1/2JS - Monday

2BB - Tuesday

Homework

Each half-term, three optional homework projects will also be set on the school website for the children to have a go at. They are welcome to bring in any of their project work to share with the class.
